You'll 'C' the Difference on 10.20.2020

Important Information about our Online & Mobile Banking Upgrade

At C1st, one of our five brand promises is having the right technology for today and tomorrow. We're excited to be providing our members with an upgraded Digital Banking experience you are sure to love, coming October 20, 2020. You'll 'C' the Difference!

What's changing?

Our Digital Banking will soon offer a unified experience (look and feel) across all devices, whether you are logging in via your computer or C1st mobile app. You will need to go to the app store to download our new app. It will look like the one shown here. If you prefer to do everything through the app, you'll never even have to log into your computer.

NOTE: BillPayer will be temporarily unavailable October 19th at 1:00 PM CST, until the morning of October 20th. During this time your scheduled payments will still be processed, however you will not be able to maintain an existing payment or schedule a new payment until October 20th.

What's not changing?

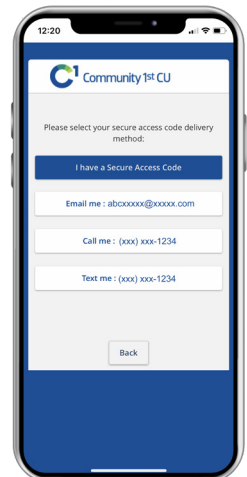

Don't worry, there will be no disruption to ATM access, your ability to use debit/credit cards, or write checks during the upgrade. Your account numbers, routing number, bill pay and direct deposit information will remain the same.

Logging in for the first time on 10.20.2020:

- ⇒ If you currently use our Mobile Banking App, **you will need to go to the app store and download our new app.** Please search for 'Community 1st CU'. Once downloaded, please **delete our old app.**

 - ▶ If you do not have a valid email address or phone number on file, please call us at 866.360.5370, email memberservice@c1stcu.com, live chat or stop by your local branch to update your contact information.

 - ▶ Please note the new password requirements, which will be listed.
 - ▶ You will need to accept the **Terms and Conditions**, by reading and scrolling to the bottom.
 - ▶ If you plan to use the device you are on regularly, please make sure to click **Register Device**.
