April is Credit Union Youth Month

This is Dollar Dog's favorite month of the year! Every April, National Credit Union Youth Month encourages kids to develop healthy saving habits by making savings fun and exciting.

"Be a credit union saver and your savings will never go extinct." is the official theme of this year's National Credit Union Youth Month. This Jurassic theme makes saving for the future fun and helps younger members appreciate the importance of putting money aside. At C1st, we want our younger members to know that we are there to help them throughout their financial journey.
