## Mystery Trip

**Wednesday, April 22, 2020**

**Destination: It's A Secret**

**Cost: \$82/person**

This mystery trip heads east for a warm, Iowa welcome. Then we venture to higher ground for a closer look at insects and a reptile. Then everything goes downhill. Our historic lunch spot hits the nail on the head. Next up is a tour of a renovated, depression-era jewel. We stay in the same era for our final stop featuring an international story. Have it figured out yet??

## **INCLUDED IN COST:**

- Motor coach transportation
- The two-way ticket includes admission to any museums, tours or special places.
- The lunch is a buffet that's sure to please.
