What does Independence Day celebrate?

The 4th of July or Independence Day is the day we celebrate the approval of the Declaration of Independence! It is the day the Declaration of Independence was adopted by the USA declaring we are an independent country on July 4th, 1776! Over 200 years ago!

Independence Day is celebrated every year on July 4th. It is considered a National Holiday in the United States so many working adults get the day off work. Most celebrate by having a cookout with friends or family.

Some might camp out with their families. But the biggest celebration of all is many cities and towns across the USA will put on a huge firework show! It's a beautiful thing to see!

Colored Rice

What you need:

- Zip lock baggies
- White Rice
- White Vinegar
- Food coloring
- Baking paper / foil

To make colored rice, put a few tablespoons of white vinegar and food coloring with a cup of rice into a Ziploc bag. Swish about until rice takes on the color. It's super fun to shake the bag and watch the rice turn a bright color. Once the rice is mixed well with the coloring spread it out onto the wax paper to dry. This takes an hour or two. Repeat for different color batches. Once the rice is all dry, you can mix it and put into a container, or tote and start playing! You can also use it to fill an old vase, and top off with a votive candle. This is a great sensory item, and could provide hours of fun for any age on a rainy day!

Fruit Necklace

Kids snacks should be fun, yummy and portable! These fruit necklaces definitely fit the bill. Plus, they're healthy! You'll need: elastic cord; yarn needle; fresh fruit and berries

1. Wash fruit
2. Cut cord and thread needle: Cut two-foot lengths of elastic cord and thread each onto a chunky yarn needle (you could use embroidery floss and an embroidery needle.)
3. Thread fruit: Start each necklace with one piece of fruit knotted in place to hold all the fruit "beads" on the necklace.
4. Create a pattern. Once finished, tie the ends together (and enjoy!)

Outdoor Summer Fun Activities

- Plant flowers!** Ask an adult to help you get flowers or seeds to plant. Flowers are so pretty and you can watch them grow. Watering flowers and caring for them every day also teaches responsibility!
- Go swimming!** There is nothing better on a hot day than swimming at the pool or playing on a beach! Ask an adult to take you and a friend swimming or to nearby beach!
- Take your family out for a picnic!** The park is a fun and free place to play! Pack a lunch or snack for everyone so you can sit and have a picnic while you're there.
